

How does the school curriculum keep you safe?

Awareness assemblies.

I think PSHE helps us understand what different people have gone through and prevents us from continuing these unwanted behaviours and prevents people from hurting others.

We learn about protected characteristics

They look after us

police come to school to tell us what we should and shouldnt do

Teacher instructions- like don't run in the wild area

Online safety

healthy lunch

Internet safety

school value assemblies

dont let people see whats in your pants unless their family (mum or dad) or a doctor (with permission)

We learn about Childline for the NSPCC.

Speak out stay safe in PHSE

Pcso's

They tell us how to keep safe outside

"We get told not to talk to strangers"

supervised when outside for playtimes and not allowed inside without an adult

The rules because they tell us What to do.

they aware us about protected chararitics

We learn about keeping pants private in assembly

we learnt about online safety

Happy minds with Mrs Mellor

The school rules keep us safe.

It tells us what we should and should not do, like not to climb trees, to keep us safe.

Teachers keep us safe.

taught us important information and facts JR

good hygiene the school clean the bathrooms and make sure the food is clean and in date.

School rule

NSPCC assembly's

Good staff around our shcool

the teachers teach us how to be safe on the internet

Childline {0800 1111} in assembly

internet safety in ICT they put sensible apps on and make sure that there can not get virises on it

Teacher advice. Safe and unsafe

Police come into our school and they tell us how to keep safe online and in the real world

the fence stops us from exiting the school[for our safety]

Our food and play equipment are safe to eat and play on.

Fencing around school

Anti bullying assemblies

PSHE

In PSHE we learn about respecting other people

Teachers tell us not to speak to strangers

nspcc assembly's

School rules

We use technology to teach us how to keep safe on the internet and online

not to pet stray dogs

They give us good information about what to do if you are in danger or feeling sad. LSH
