Statement of intent

At Lower Park, our children have developed a more positive approach to school rules that emphasise how we should be.

They are:

Lower Park School Rules

We should smile, be friendly and care for one another

Be well-mannered and polite

Speak the truth

Be fair

Treat each other with respect and how you would like to be treated

Be the best you can be

The children have also adopted a school motto:

“In our school,

We smile,

we have fun,

we make mistakes,

we say I’m sorry,

we care about each other.”

The policy acknowledges the school’s legal duties under the Equality Act 2010, in respect of safeguarding and in respect of pupils with special educational needs (SEND).

When writing the policy, the Head teacher has taken into account the governing body’s statement of behaviour principles as follows:

Written Statement of Behaviour Principles – Reviewed and Approved by Governors on 3rd March 2023

Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others

All pupils, staff and visitors are free from any form of discrimination

Staff and volunteers set an excellent example to pupils at all times

Rewards, sanctions and reasonable force are used consistently by staff, in line with this behaviour policy

The behaviour policy is understood by pupils and staff

The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term exclusions

Pupils are helped to take responsibility for their actions

Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The governing body also emphasises that violence or threatening behaviour will not be tolerated in any circumstances. The school has individual risk assessments for violent or threatening behaviour.

Lower Park School has a separate policy for Parent Behaviour.

This written statement of behaviour principles is reviewed and approved by the full governing body annually.

Policy aim:

- To set out measures in the behaviour policy which aim to:
- promote good behaviour
- encourage self-regulation and respect;
- Work alongside our Bullying Prevention policy
- ensure that pupils can learn free from the disruption of others
- regulate the conduct of pupils (Section 89 (1) of the Education and Inspections Act 2006)

Lower Park believes that to facilitate teaching and learning and prepare for adulthood, acceptable behaviour must be demonstrated in all aspects of life.

We are committed to:

- Promoting positive behaviour built around the principles of the five British values: *respect, tolerance, democracy, individual liberties* and *the rule of law*
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect
- Promoting inclusion including pupils' understanding of the nine protected characteristics: age;
- disability;
- gender reassignment;
- marriage and civil partnership;
- pregnancy and maternity;

- race;
 - religion or belief;
 - sex;
 - sexual orientation
- Promoting a culture of praise and encouragement in which all pupils can aspire and achieve
 - Challenging unacceptable behaviour and adopting a no-tolerance approach to any form of discrimination, thus creating a caring, safe and productive learning environment, free from disruption, discrimination, bullying and any form of harassment
 - Encouraging positive relationships with parents/carers
 - Developing relationships with our pupils to enable early intervention by communicating clear and consistent expectations
 - A shared approach which involves pupils in the implementation of the school's policy and associated procedures - putting an emphasis on 'choice' by explaining the consequences of their future behaviour choices to support positive behavioural outcomes.

To promote good behaviour, the Leadership Team and staff will:

- Support transition times when children enter, move around, and leave the school building, classrooms, and communal areas; we believe that monitoring and supporting transition times helps to maintain a calm environment and reduce disruptive or inappropriate behaviours
- Provide a rich, stimulating, inclusive curriculum to ensure that children are actively engaged in their learning, thereby reducing the risk of disruptive behaviours. This curriculum extends beyond the classroom, and all children have the opportunity to go on termly trips/experiences and encourage a wide range of teacher-led after school clubs
- Implement proactive, preventative measures - staff recognise that positive mental health and wellbeing is directly linked to positive behaviours
- In addition to the My Happy Mind Curriculum, plan interventions for emotionally vulnerable children in EYFS, KS1 and KS2 to successfully develop children's emotional resilience and positive self-esteem.
- Provide a sensory room for children who need a calm, quiet space when they become heightened or emotionally overwhelmed.
- 'Vulnerable' children are identified and their needs are shared appropriately with all staff and any experiencing a period of emotional upset or change receive regular 'check-ins' from their named trusted adult.

Sanctions in schools

- Teachers have statutory authority to sanction pupils whose behaviour is Unacceptable, who break the school rules or who fail to follow reasonable instruction (Section 90 and 91 of the Education and Inspections Act 2006).
- This authority applies to all paid staff with responsibility for pupils, such as teaching assistants.
- Teachers can sanction pupils at any time the pupil is in school or elsewhere under the charge of a teacher, including on school visits.
- Teachers can also sanction pupils in certain circumstances when a pupil's misbehaviour occurs outside of school.
- Teachers can confiscate pupils' property

What the law allows:

Teachers can discipline pupils whose conduct falls below the standard which could reasonably be expected of them.

To be lawful, the punishment must satisfy the following three conditions:

The decision to punish a pupil must be made by a paid member of school staff or a member of staff authorised by the head teacher;

The decision to punish the pupil and the punishment itself must be made on the school premises or while the pupil is under the charge of the member of staff; and

It must not breach any other legislation (for example in respect of disability, special educational needs, race and other equalities and human rights) and it must be reasonable in all the circumstances.

A punishment must be proportionate. In determining whether a punishment is reasonable, section 91 of the Education and Inspections Act 2006 says the penalty must be reasonable in all the circumstances and that account must be taken of the pupil's age, any special educational needs or disability they may have, and any religious requirements affecting them.

The headteacher may limit the power to apply particular punishments to certain staff and/or extend the power to discipline to adult volunteers, for example to parents who have volunteered to help on a school trip.

Corporal punishment is illegal in all circumstances.

Schools should consider whether the behaviour under review gives cause to suspect that a child is suffering, or is likely to suffer, significant harm. Where this may be the case, school staff should follow the schools' safeguarding policy. They should also consider whether continuing disruptive behaviour might be the result of unmet educational or other needs. At this point, the school should consider whether a multi-agency assessment is necessary.

Behaviour Definitions

focusing their attention and minimising the opportunity for disruptive behaviours.

- Focus on the children who are complying with rules by providing positive descriptive praise and, where possible, ignore shouting out to encourage positive behaviours from all.
- Reinforce good modelling good behaviour by thanking pupils for positive behaviours e.g., 'Thank you for waiting until I asked you' or 'Thank you for getting on with the task straight away.'
- Work as a team and respecting others' views, beliefs and faiths when engaging in tasks.

Rewards

The school recognises that pupils should be rewarded for their display of good behaviour.

The school will use rewards for good behaviour, including but not limited to:

- Positive look/non-verbal communication and/or descriptive verbal praise - Sharing work with the class
- Sharing work with another teacher or the Head
- Stickers and certificates
- The child's work on display in the classroom or in the newsletter
- Direct praise to parents at the end of the day
- Commendation certificates from SLT, Teachers and Middays
- Individual class reward systems – Class Dojo points
- House Points rewarded by dress down on Mondays

Consequences

At Lower Park, we recognise that pupils may not understand why their behaviour is inappropriate, and therefore it may be unintentional. Teachers will use their judgement when issuing sanctions.

At all times, teachers will discuss the behaviour with the pupil to ensure the pupil understands why it is inappropriate and to prevent any reoccurring behaviour.

The school will use a number of different sanctions, depending on the behaviour displayed by the pupil, including the following:

Green card - verbal warning is given to the child and the consequences of the action explained; ongoing reminders and reinforcements when positive behaviours are demonstrated

A Yellow card - will be shown if children continue to choose not to follow school rules.

A record of behaviour is kept for discussion at parents' evening.

A red card will be shown if the two reminders are not sufficient for the pupil to alter their behaviour.

The consequence of receiving a red card is time out will be given either inside and outside of the classroom at the next playtime (5 minutes on the bench during playtime)

The consequence of receiving two red cards is time out will be given either inside and outside of the classroom at the next playtime (5 minutes on the bench during playtime) and that the parent will be informed.

Under some circumstances (Serious unacceptable behaviour) a straight red card is given and parents are informed. This will result in a full playtime being missed (break or lunch at adult discretion and completing a reflection activity).

Other sanctions could include:

Removal of privileges (i.e. after-school clubs, visits, etc.) and parents informed – face to face or via a phone call if necessary.

SLT supervision in the Head's office. With appropriate and relevant work to be provided by the class teacher.

- Temporary exclusions.

- Exclusion.

NB: Any member of staff who witnesses a display of seriously unacceptable behaviour, or who issues any 'red card' sanction to a pupil, must log this using the online CPOMs system, alerting all relevant adults including the Headteacher, the Safeguarding Lead and the Deputy Safeguarding Leads.

The Headteacher, the Safeguarding Lead and the Deputy Safeguarding Leads will monitor regular or repeated behaviours and action accordingly.

Outside of school and the wider community

Pupils at the school must agree to represent the school positively.

The guidance laid out in the Behaviour Policy applies both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

Complaints from members of the public about unacceptable behaviour by pupils at the school are taken very seriously and will be dealt with following the policy.

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered

- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police
 - All incidents will be reported using the school CPOMS system and monitored

Please refer to our child protection and safeguarding policy for more information

Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil following this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil following this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of further help, or the allegation may have been a cry for help. If so, a referral to children's social care or Early Help may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

Training of staff

At Lower Park, we recognise that early intervention can prevent unacceptable behaviour. As such, teachers will receive training in identifying problems before they escalate; this can be behavioural problems in the classroom or during playtime/lunchtime.

Nominated members of staff receive regular positive handling training and should ideally be the person to carry out any form of reasonable force that involves the need to physically handle a child. However, all members of staff at Lower Park have the power to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.

Separate advice is available in 'Use of Reasonable Force – advice for school leaders, staff and governing bodies' and this is followed when an incident occurs.

All incidents where reasonable force is needed must be reported to the head teacher as soon as is reasonably possible, with relevant paper work (ABC form as a minimum) completed. Parents must also be informed by the headteacher or a delegated member of staff.

Bullying and Cyberbullying

Please see our Bullying Prevention Policy

The school recognises that it must take note of bullying perpetrated outside school which spills over into the school and so we will respond to any bullying including cyber-bullying that we become aware of carried out by pupils when they are away from the site. If we become aware of any incidents of cyberbullying, we will consider each case individually as to any criminal act that may have been committed. The school will pass on information to the police if it feels that it is appropriate, or we are required to do so.

At Lower Park, we are also aware that bullying and Child-on-child abuse can present similarly. Concerns with behaviour may reflect wider issues in a child's life such as abuse or neglect and child on child abuse and, in particular sexual violence and harassment.

Our approach to dealing with Child-on-child abuse is outlined in the schools' Child protection and safeguarding policy.

Exclusions

For the vast majority of pupils, suspension and permanent exclusion may not be necessary, as early support can help manage a pupil's behaviour. However, a suspension or permanent exclusion will sometimes be necessary as a last resort.

The head teacher can issue a suspension or permanent exclusion in response a child's unacceptable behaviour that breaks the rules, in or outside of school.

Exclusions can take the form of:

- Fixed Periods of Exclusion – where a child is excluded from the school for a specified lunchtime period and / or a number of school days; and
- Permanent Exclusion – where a child is permanently excluded from attending Lower Park School.

No 'informal' or unofficial exclusions, even with the agreement of parents / carers, are permitted in law.

Exclusions will take place once the decision has been made by the Headteacher, or, if appropriate, by the Deputy Headteacher and will follow the procedures detailed in the school's Exclusions Policy in line with the Cheshire East guidance.

11. Policy Review

This policy will be reviewed by the Head teacher and governing body on an annual basis, who will make any necessary changes and communicate this to all members of staff.
